<p style="text-align: center;">Commitment to specialty – learning and personal development</p> <ul style="list-style-type: none"> Shows realistic insight into Oral and Maxillo Facial Surgery and the personal demands of a commitment to surgery Demonstrates knowledge of training programme and commitment to own personal and professional development Shows critical and enquiring approach to knowledge acquisition, commitment to self-directed learning and a reflective/analytical approach to practice 		<ul style="list-style-type: none"> Achievements relevant to Oral and Maxillo Facial Surgery, including elective or other relevant experience Extracurricular activities Membership in the BAOMS Junior Trainee Programme (JTP) in OMFS <p>Application form Interview/selection centre References</p>

ⁱ 'When evaluated' is indicative, but may be carried out at any time throughout the selection process.

-
- ⁱⁱ The GMC introduced the licence to practise in 2009. Any doctor wishing to practise in the UK after this date must be both registered with and hold a licence to practise from the GMC at time of appointment.
- ⁱⁱⁱ Start date refers to the date at which the post commences, not (necessarily) the time an offer is accepted. For 2016 posts this will normally be 3 August 2016, unless a different start date is specifically indicated in advance by employing Trust / LETB
- ^{iv} 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered within the unit of application.
- ^v Applicants are advised to visit the GMC website which gives details of evidence accepted for registration
- ^{vi} Any time periods specified in this person specification refer to full time equivalent.
- ^{vii} The 'support for reapplication to another region' form, signed by the Training Programme Director of their current specialty training programme confirming satisfactory progress must be submitted to the recruitment office at time of application.
- ^{viii} Exceptional circumstances may be defined as a demonstrated change in circumstances, which can be shown on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to train. Applicants will only be considered if they provide a 'support for the reapplication to a specialty training programme' form signed by both the Training Programme Director / Head of School and the Postgraduate Dean in the LETB / Deanery that the training took place. No other evidence will be accepted.
- ^{ix} The NHS Constitution – the NHS belongs to us all 26 March 2013
