<p>Personal Skills</p>		
<p>Communication skills:</p> <ul style="list-style-type: none"> • Demonstrates clarity in written/spoken communication and capacity to adapt language as appropriate to the situation • Able to build rapport, listen, persuade and negotiate <p>Problem solving and decision making:</p> <ul style="list-style-type: none"> • Capacity to use logical/lateral thinking to solve problems/make decisions, indicating an analytical/scientific approach <p>Empathy and sensitivity:</p>	<p>Management and leadership skills:</p> <ul style="list-style-type: none"> • Evidence of involvement in management, commensurate with experience • Demonstrates an understanding of NHS management and resources • Evidence of effective multidisciplinary team working and leadership supported by multi source feedback or other workplace based assessments • Evidence of effective leadership in and outside of medicine <p>IT skills:</p>	<p>Application form</p> <p>Interview/selection centre</p> <p>References</p>

<ul style="list-style-type: none"> Capacity to take in others' perspectives and treat others with understanding Sees patients as people Demonstrates respect for all Uses a non-judgemental approach to patients and colleagues, regardless of their sexuality, ethnicity, disability, religious beliefs or financial status <p>Managing others and team involvement:</p> <ul style="list-style-type: none"> Able to work in multi-professional teams and supervise junior medical staff Ability to show leadership, make decisions, organise and motivate other team members for the benefit of patients through, for example, audit and quality improvement projects Capacity to work effectively with others <p>Organisation and planning:</p> <ul style="list-style-type: none"> Capacity to manage/prioritise time and information effectively Capacity to prioritise own workload and organise ward rounds Evidence of thoroughness (is well prepared, shows self-discipline/commitment, is punctual and meets deadlines) <p>Vigilance and situational awareness:</p> <ul style="list-style-type: none"> Capacity to monitor developing situations and anticipate issues <p>Coping with pressure and managing uncertainty:</p> <ul style="list-style-type: none"> Capacity to operate under pressure and cope with setbacks Demonstrates initiative and resilience to cope with changing circumstances Is able to deliver good clinical care in the face of uncertainty <p>Values:</p> <ul style="list-style-type: none"> Understands, respects and demonstrates the values of the NHS Constitution (e.g. everyone counts; improving lives; commitment to quality of care; respect and dignity; working together for patients; compassion) 	<ul style="list-style-type: none"> Demonstrates information technology skills <p>Other:</p> <ul style="list-style-type: none"> Evidence of achievement outside medicine Evidence of altruistic behaviour e.g. voluntary work 	
<p>Probity – professional integrity</p>		
<ul style="list-style-type: none"> Takes responsibility for own actions. Displays honesty, integrity and awareness of ethical issues 		<p>Application form</p> <p>Interview/selection centre</p> <p>References</p>

PERSON SPECIFICATION 2022

<i>Commitment to specialty – learning and personal development</i>		
<ul style="list-style-type: none"> Shows initiative/drive/enthusiasm (self-starter, motivated, shows curiosity, initiative) Demonstrable interest in and understanding of the specialty Commitment to personal and professional development Evidence of attendance at organised teaching and training programme Evidence of self-reflective practice 	<ul style="list-style-type: none"> Demonstrates interest in Neuropathology Extracurricular activities / achievements relevant to the specialty Evidence of participation at meetings and activities relevant to the specialty 	<ul style="list-style-type: none"> Application form Interview/selection centre References

ⁱ 'When is this evaluated' is indicative but may be carried out at any time throughout the selection process.

ⁱⁱ The GMC introduced the licence to practise in 2009. Any doctor wishing to practise in the UK after this date must be both registered with and hold a licence to practise from the GMC at time of appointment.

ⁱⁱⁱ 'Intended start date' refers to the date at which the post commences, not (necessarily) the time an offer is accepted.

^v 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered within the unit of application.

^{vi} Applicants are advised to visit the GMC website which gives details of evidence accepted for registration.

^{vii} Any time periods specified in this document refer to whole time equivalent.

^{viii} The Support for Application to another region form, signed by the Training Programme Director of their current Specialty Training Programme confirming satisfactory progress must be submitted to the recruitment office at time of application.

^{ix} Exceptional circumstances may be defined as a demonstrated change in circumstances, which can be shown on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to train. Applicants will only be considered if they provide a 'support for reapplication to a specialty training programme' form signed by both the Training Programme Director / Head of School and the Postgraduate Dean in the LETB / Deanery that the training took place. No other evidence will be accepted.
