<p>Essential Criteria</p> <ul style="list-style-type: none"> Demonstrates relevance of first and/or higher degree and previous experience to Public Health Demonstrates evidence of interest and realistic insight into public health, with an understanding of, and commitment to, public health principles in relation to interventions around the needs of an individual and the population in general Is self-aware, self-motivated, and committed to personal and professional development Capability for reflective and high-quality practice 	<p>Desirable Criteria</p> <ul style="list-style-type: none"> Achievements/extracurricular activities relevant to public health, e.g., relevant experience in clinical/community settings, demonstration of commitment to public health principles in previous service work, courses, or training 	<p>When is this evaluated?</p> <p>Application form</p> <p>Interview/selection centre</p> <p>References</p>

ⁱ The qualifying degree must have been certificated by the date of submission of the application

ⁱⁱ 'When is this evaluated' is indicative but may be carried out at any time throughout the selection process.

ⁱⁱⁱ The GMC introduced the licence to practise in 2009. Any doctor wishing to practise in the UK after this date must be both registered with and hold a licence to practise from the GMC at time of appointment.

^{iv} 'Intended start date' refers to the date at which the post commences, not (necessarily) the time an offer is accepted.

^v 'Time of appointment' refers to the date at which the post commences, not (necessarily) the time an offer is accepted. For 2023 ST1 posts this will normally be 2nd August 2023, unless a different start date is specifically indicated in advance by the employing trust/LETB.

^{vi} Experience relevant to public health practice will be evidenced by explanation of relevance on the application form.

^{vii} <https://www.nhsemployers.org/topics-networks/pay-pensions-and-reward/nhs-terms-and-conditions-service-agenda-change>

^{viii} 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered within the unit of application.

^{ix} Applicants are advised to visit the GMC website which gives details of evidence accepted for registration.

PERSON SPECIFICATION 2023

^x The 'support for application to another region' form, signed by the Training Programme Director of their current specialty training programme confirming satisfactory progress must be submitted to the recruitment office at time of application.

^{xi} Exceptional circumstances may be defined as a demonstrated change in circumstances, which can be shown on the ability to train at that time and may include severe personal illness or family caring responsibility incompatible with continuing to train. Applicants will only be considered if they provide a 'support for reapplication to a specialty training programme' form signed by both the Training Programme Director / Head of School and the Postgraduate Dean in the LETB / Deanery that the training took place. No other evidence will be accepted.
