

Step by Step Guide to Self-Registration on Selenity Expenses

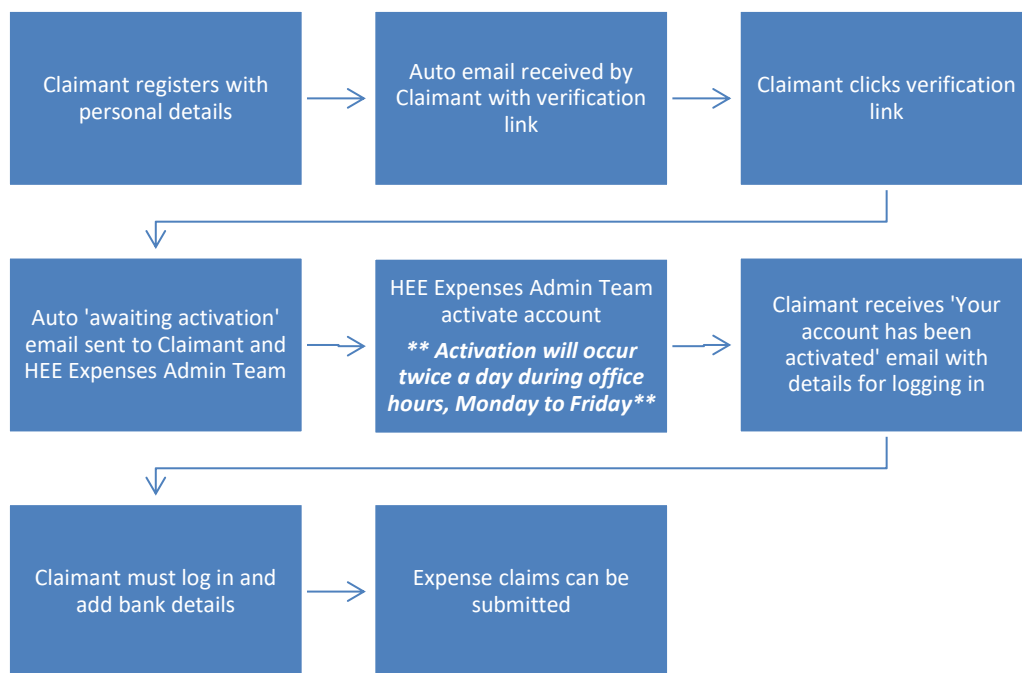

NOTE FOR PANEL MEMBERS – if you are a panel member you should claim from your employer and ask them to invoice Health Education England for reimbursement. Selenity Expenses should only be used if this is not possible. If your employer has refused to reimburse directly, please attach evidence of this to your claim.

In order to make an expense claim from HEE you will first need to register and create an account.

Please note that due to verification/activation processes, registering for an account does not provide immediate access to enter your claim - allow for this delay when considering your deadline for submitting expenses.

HEE POLICY REQUIRES THAT CLAIMS ARE SUBMITTED WITHIN 28 DAYS OF INCURRING THE EXPENSE.

This is a brief outline of the process:

This is the link you will need (do not use search engine results as they may show a different organisation's version of the same software):

<https://heenon.sel-expenses.com>

You can use this link in a browser on any device to register. If you encounter any difficulties try using a different Browser. Once you've registered and are up & running you can download the Mobile Expenses App to add claims via your phone/tablet, but please note you cannot complete the registration process via the App.
