PART 2 – For completion by Occupational Health Physician, GP or other Registered Clinician providing care for the individual

This document must be submitted by the trainee in support of an application for a National Inter Deanery Transfer under the criterion of a mental health disability.

The person whose details are above is a medical trainee applying for a transfer to a different training region because of a change in circumstances due to a mental health disability.

This document is essential to verify that the trainee has a mental health disability for which treatment is an absolute requirement and is required to take place in the geographical area the trainee has applied to relocate to, as confirmed by statements from their Occupational Health Physician, GP or other Registered Clinician providing care.

To support his/her application s/he requires statements from their Occupational Health Physician, GP or other overseeing registered clinician in which they should:

- confirm the psychological disability ;
- describe the nature of the ongoing treatment and frequency of follow up required;
- state why the reasonable adjustment of a transfer needs to be made;
- state how a move would support the trainee in their change of circumstances.

Please complete and sign **PART 2** of this form and return it to the trainee for submission.

The information provided within this document will be reviewed by the National Inter Deanery Transfer team which is an administrative team with no clinical experience or knowledge. By signing the previous page and submitting this document as part of the National IDT application process, the trainee has given consent for this information to be shared with the team.
